II EUROPEAN DAY OF LANGUAGES WITH THE AGH UNIVERSITY DEPARTMENT OF FOREIGN LANGUAGES

We would like to invite the students and staff of the AGH University to take part in the event to celebrate the European Day of Languages, which will take place on **26 September 2023**.

The event is hosted by the Department of Foreign Languages and the UNIVERSEH AGH Multilingualism and Mobility team. One of the aims of UNIVERSEH is the promotion of multilingualism and cultural diversity as well as broadly understood student and staff mobility.

By organising the event the Department of Foreign Languages fosters this big idea. To celebrate this day all participants will have a chance to check their linguistic competence in a number of entertaining and educational quizzes.

ACCOMPANYING EVENT FOR STUDENTS AND STAFF

A linguistic quiz about the Polish language. Polish is considered to be one of the world's most challenging languages to learn. Practically every aspect of the Polish language – grammar, spelling pronunciation – can be daunting not only for foreigners but also for Poles themselves.

But is it really so difficult? Find out yourself!

Today we invite you to take this test of the Polish language which two years ago was one of the challenges accompanying the Foreign Language Days organised by SJO. There will be no grades and the results will be anonymised. The goal is for you to find out how well you can cope with the intricacies of this interesting language.
